

Dine Out for Officer Steve Sperber

Saturday, December 2nd, 2017

<https://Sperberdineout.website2.me>

Officer Steve Sperber, a highly decorated Marine, who spent time in Afghanistan as well as Iraq, suffered life changing injuries in the line of duty as an officer of the Rock Hill Police Department. In February 2016, Officer Sperber was performing a routine traffic stop when the suspect accelerated and hit Officer Sperber head on. His body was hit so hard he was thrown across the top of the hood and roof of the car and subsequently landed nearly 43 feet behind the car. He suffered broken bones, bruised ribs, skulls fractures, and irreversible brain damage. Officer Sperber's world was shattered that day on duty. He now is living in constant pain and heartache. His insurance company has stopped paying his medical costs for an unknown reason. He has not received the Statutory Replacement Pay which as you can imagine is making this situation even harder on him. Officer Sperber needs our help. Let's get together as a community and give him the opportunity to heal and recover without the financial strain looming over his head.

St. Louis Police Supporters United is hosting a Rock Hill Community Dine Out on Saturday December 2nd, 2017. We only have ONE ENTIRE DAY to make a difference for Officer Sperber. He has spent his life making a difference for us, and now it is our turn. Let's help our Brother in Blue.

We are asking that you do something you probably would have done anyway! Go Eat! We have a list of participating restaurants that are going to be helping to make Officer Sperber's financial strain a little less.

Please visit the website listed above for a list of participating Restaurants!

We invite you to make a difference!
