Reports and discussions;

-Welcome new member, William Mead. He is from Ward 3 and looks forward to planning the Fall Festival and getting involved with the CDC.

-The movie night on October 3, 2020 was a success! Worth repeating with a few changes: Food trucks did not do well, maybe a less expensive option; possibly popcorn or a dessert truck. Look at a bigger parking lot. Offer just one family movie. Additional sponsors: Midland Bank.

-The commission looked at the objectives of the Community Development Commission when it was created as well as the ordinance. Look at the possibility of collaborating with neighborhood street parties. CDC in the past has joined the community in walk to school day, Bar-B-Q's and the Turner park dedication.

-Will host first responders for breakfast when it is safe to do so, look at the possibility of restaurants donating or delivering food.

-Yard of Hearts - Surprise your family, friends or significant other with a yard of heart, Twenty four paper hearts on a stick will be delivered and placed in your yard. A goodie bag, a balloon and a heart note on their door.

-City of Rock Hill Community Future events; Easter program and Day Camp
