

August 2025

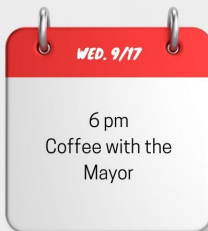

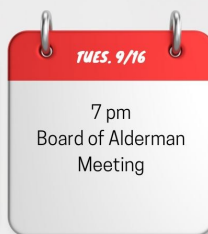

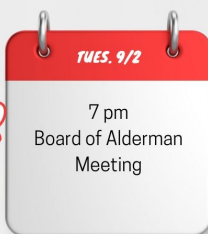

A View from the Hill

A Letter from the Mayor

Dear Residents of Rock Hill,
Good luck to all of the students who have headed back to school this month. Now that school is back in session, please be mindful of students walking to school, new teenage drivers, and the school buses in the area. We have included Bicyclist safety reminders below and ask those going out to make sure they are being safe on the roads.

-Edward Mahan, Mayor; emahan@rockhillmo.net or 314-561-4317

BICYCLIST SAFETY

Bicyclists are asked to adopt these safe riding practices:

Assure bicycle readiness. Check your brakes, wheels & seating.

Always wear a helmet.

Wear bright clothing.

While riding at night, wear a light.

Do not wear more than one earphone while riding.

Stay hydrated at all times.

Yield to pedestrians.

Use hand signals when turning or stopping.

Obey traffic signs.

STATISTICS from the CDC

- Each year, nearly 1,000 bicyclists die on our nation's roads in crashes involving a motor vehicle.
- There are also an estimated 120,000 emergency department visits of bicyclists treated for non-fatal crash-related injuries annually.
- Bicycle trips make up 1% of all trips in the United States. However, bicyclists account for 2-3% of people who die in a crash involving a motor vehicle on US roads.
- Most bicyclist deaths occur in urban areas.
- A helmet can help protect you from a serious brain or head injury.

Interested in hosting a garage sale?

Find an application online [by clicking here](#). Applications due by 5p.m. on Wed. September 17 to be included on the map.
