## A Letter from the Mayor

Dear Residents of Rock Hill,  
I would like to start by wishing everyone a happy and prosperous New Year!  
Due to scheduling conflicts, I am unable to host Coffee with the Mayor in February. I would like to invite everyone to join me for the March Coffee with the Mayor, Wednesday, March 15 at 6 pm. We are broadcasting Coffee with the Mayor every month on Facebook Live. You can find the broadcast by following “City of Rock Hill Missouri-Government” on Facebook or if you do not have Facebook, the broadcast can be found on the homepage of our website under the “Social Media” tab: <https://www.rockhillmo.net/>  
We are currently searching for residents to join the Parks and Recreation Commission as well as the Planning and Zoning Commission. If you are interested in getting involved or have additional questions, email me at the email address below.

Aldi continues to work on the site at Manchester and McKnight; we hope to see them opening this spring/summer.

ST. LOUIS COUNTY ELECTION BOARD – Election Judges Needed for 2023  
In the upcoming April 4th, 2023, General Municipal Election in St. Louis County, voters will be choosing candidates and deciding on ballot issues for various public entities. Election Judges and Student Election Judges are needed to administer such elections in Missouri.

The St. Louis County Election Board is accepting applications for people who are interested in serving as Election Judges for the April 4th, 2023, Election. Additionally, the Election Board has an excellent High School Student program that gives students an opportunity to work with veteran Election Judges providing hands on experience in learning how elections are conducted.

Election Judges play a pivotal role in making it possible for citizens to rightfully exercise the franchise on Election Day. A typical election may have approximately 65% of voters cast ballots on Election Day at over 200 polling places across St. Louis County. Election Judges set up the voting equipment at the polling location, manage the voting process, and secure the ballots for collection at the Election Board. They are truly the “backbone” of the electoral process.

Election Judges are awarded a financial stipend of \$280 for their service. Students may receive a stipend of \$170 or earn 16 community service hours.

Serving as an Election Judge gives citizens a chance to perform an important civic duty and allows them to actively participate in their community.
