

A View from the Hill

May 2022

A Letter from the Mayor

Dear Residents of Rock Hill,

It seems summer is here. As you're preparing for long summer days outside, clean out your old electronics and plan to join us for the E-cycle Event. The event will include the opportunity to shred documents as well as safely recycle electronics. Mark your calendar for Saturday, June 4 from 9am-12pm. For additional information and a list of what is accepted, check out the flyer included in this newsletter.

With summer here, day camp is quickly approaching as well. If you have children interested in day camp this summer, be sure to watch my recent episode of Coffee with the Mayor on the homepage of the website under the "Social Media" tab. I spoke with this summer's day camp director, Tracy Bramblett. Spaces in camp are filling up fast, be sure to sign up soon.

-Edward Mahan, Mayor; emahan@rockhillmo.net or 314-561-4317 ext. 8017

Summer Safety Reminders

From the Rock Hill Fire Department

- Dress Light**
Remember to wear lightweight, light-colored, loose fitting clothing.
- Drink plenty of fluids**
Stay away from sugary or alcoholic drinks.
- Keep Cool**
Stay inside in an air-conditioned place as much as possible.
- Sunscreen**
Sunscreen protects the skin from UV rays, decreasing the risk of sun damage to the skin.

ROCK HILL DAY CAMP

Rock Hill Day Camp
Registration is officially open.
June 6-July 15
Hudson School
Additional camp information as well as the link to sign up is available by [clicking here](#).

GO GREEN!

This program is funded by a grant from Saint Louis County Department of Public Health
utilizing County landfill charge funds.

What We Take

We process most electronic and technology devices whether they are working or non-working, new or old. Once the data is destroyed, if your electronics and computers are still in working order and they pass our stringent audits, we extend the life by repurposing to secondary markets and donating to local non-profits to help others in need.

Computer and Office Equipment

- ✓ CPUs, Towers
- ✓ Laptops
- ✓ Keyboards/Mice
- ✓ Hard Drives
- ✓ Monitors – CRT & LCD

SpectrumCycle Does Not Accept:
Household Hazardous Waste, Light Bulbs,
Single-use Batteries, Smoke Detectors, and
Thermometers with Mercury

Rock Hill Public Library

Hello from your neighborhood library! We are open Monday-Thursday 12-7 PM, Friday 12-5 PM, and Saturday 10 AM-2 PM. Stop by to browse the shelves, use our computers, pick up holds, and more.

Thanks to a grant from the Institute of Museum and Library Services, the library got 6 brand new computers for patron use! Stop by to take a look—they're pretty swanky!

The library is gearing up for Summer Reading Club, and this year's programs are going to be sweet! Help us kick off Summer Reading Club on **Saturday, June 4 at 11:30 AM in Oakhaven Park** with one-man comedy and musical act Babaloo! We'll also have crafts and a mini used book sale. Babaloo performs at noon.

The library continues to offer free online yoga for adults every month. Whether you're new to yoga or just looking for a more chill practice, our gentle yoga is perfect for you! All skill levels welcome. Our next class is **Wednesday, May 25 at 8 PM**. Sign up at <https://forms.gle/vPZdwqQRnplKagJBA>

Do you like fishing? Want to know the best places to fish in St. Louis? Sign up for our free virtual Introduction to Urban Fishing in St. Louis with Conservation Educator Scott Sarantakis! This informative presentation will be offered on Zoom on Tuesday, June 14 at 6 PM. Sign up at <https://forms.gle/TCng8AohB1jutG8V8>

Speaking of fishing, the library has fishing poles available for checkout through the Missouri Department of Conservation's Rod and Reel loaner program. Drop by the library today or give us a call to check one out.

PAWS for Reading returns Thursday, June 9 at 6 PM! Kids of all ages can practice their reading skills with a certified touch therapy dog from Duo Dogs. No registration needed, just swing by the library to meet our furry friend.

For a full list of our upcoming programs, visit our website at rockhillpubliclibrary.org or feel free to give us a call at 314-962-4723. We hope to see everyone soon!

Rock Hill Public Library Summer Reading Kickoff with

BABALOO!

**Saturday, June 4
11:30 AM at Oakhaven Park**

Join us for wacky family-friendly tunes, crafts,
and more to kick off Summer Reading Club!

This project is supported by
the Institute of Museum and
Library Services under the
provisions of the Library
Services and Technology Act
as administered by the
Missouri State Library, a
division of the Office of the
Secretary of State.

9811 Manchester Rd.

Driving Safely in and Around Work Zones

Be Alert & Expect the Unexpected.

Pay Attention to your Surroundings and Read the Signs.

Stay Alert and Minimize Distraction

- Dedicate your full attention to the roadway.
- Avoid changing the radio station, using a cell phone, eating, or any other distractions that can remove your concentration from the road.

Turn Your Headlights On, Even if It Isn't Required by Law

- Pay Attention to the Road
- Read and follow the signs.
- Watch for brake lights on vehicles ahead.
- Watch traffic around you, and be prepared to react.

Merge into the Proper Lane

- Merge well before you reach the lane closure.
- Be aware that traffic patterns can change daily.

Don't Tailgate

- Follow other vehicles from a safe distance.

Know Before You Go

- Check radio, TV, and websites for traffic information and schedule enough time to drive safely.
- Expect delays and leave early so you can reach your destination on time.

Obey the Posted Speed Limit

- Normal speeds may be reduced, traffic lanes may be closed, narrowed, or shifted, and people may be working on or near the road.
- Fines may be doubled for moving traffic violations.
- Be prepared to slow down further if conditions indicate the need.

Change Lanes Safely

- Change lanes only where pavement markings indicate, and only when traffic conditions permit.

Follow Instructions from Flaggers

- Flaggers are often used to stop and direct traffic in work zones. Expect the Unexpected
- Workers, work vehicles, or equipment may enter your lane without warning.
- Other vehicles may slow, stop, or change lanes unexpectedly.

Be Patient and Stay Calm.

Work Zone crew members are working to improve the road and make your future drive safer and better.
