

A View from the Hill

May 2022

A Letter from the Mayor

Dear Residents of Rock Hill,

Have you completed your spring cleaning? Looking for a place to recycle old electronics? Have outdated paperwork you need shredded? Plan to join us for the E-cycle Event.

The event will include the opportunity to shred documents as well as safely recycle electronics. Mark your calendar for Saturday, June 3 from 9am-12pm. For additional information and a list of what is accepted, check out the flyer included in this newsletter.

Please note, MODot Crews will be fully closing off access between Manchester & Kortwright for the next two weeks. Both Hudson Ave. & O'Day Ave. will be unaffected during this 2-week period.

With summer here, we hope you enjoy our Rock Hill parks. We are excited to start the improvement project at Turner Park, so please note, the park will be closed when construction begins. We hope to start construction mid-summer.

-Edward Mahan, Mayor; emahan@rockhillmo.net or 314-561-4317 ext. 8017

BUCKLE UP

The Rock Hill Police Department will be participating in the annual Click It or Ticket Campaign. The campaign will run from May 22-June 4.

In 2022, 1,057 people were killed in traffic crashes on Missouri's roadways; 59% of the vehicle occupants killed were not wearing seat belts.

Rock Hill police cannot stress enough how important it is to BUCKLE UP when you are traveling.

TURNER PARK CONSTRUCTION

This summer we will be making some updates to Turner Park. Improvements include a new walking path and basketball court. Construction crews hope to begin work mid-summer.

What We Take

We process most electronic and technology devices whether they are working or non-working, new or old. Once the data is destroyed, if your electronics and computers are still in working order and they pass our stringent audits, we extend the life by repurposing to secondary markets and donating to local non-profits to help others in need.
