A View from the Hill

A Letter from the Mayor

Dear Residents of Rock Hill, Spring is the perfect time to tidy up and refresh your home—and we're here to help. Join us for the upcoming E-Cycle and Paper Shredding Event on Saturday, June 6, from 9:00 a.m.–12:00 p.m. at Givens Elementary School. This convenient event offers residents a safe and responsible way to recycle electronics and securely dispose of personal documents. Be sure to review the flyer included in this newsletter for a complete list of accepted items and additional event details.

As you tackle outdoor projects this season, please remember to help protect our stormwater system by keeping grass clippings and weeds out of streets and storm drains. Yard waste should be disposed of in brown yard waste bags, available at most home improvement stores. Please note that yard waste placed in regular trash or recycling carts will not be collected. This month, we are also proud to recognize two departments that work every day to keep Rock Hill safe, functional, and thriving. During Police Week (May 10–16) and National Public Works Week (May 17–23), we extend our appreciation to the members of our Police and Public Works Departments for their continued service, professionalism, and dedication to our community. Thank you for doing your part to keep Rock Hill a great place to live.

-Edward Mahan, Mayor; emahan@rockhillmo.net or 314-561-4317 ext. 8017

A MESSAGE FROM THE POLICE CHIEF

As summer begins and the school year comes to a close, we want to take a moment to encourage everyone to relax, recharge, and enjoy time with family and friends. Whether you are traveling, attending camps, or simply enjoying the sunshine at home, please remember to stay safe and make responsible choices.

The Police Department recently hired a new patrol officer, Wilfredo Marquez. If you see him in the community, make sure to say hello and welcome him to our great community.
