

A View from the Hill

A Letter from the Mayor

June 10, 2020

Dear Residents of Rock Hill,

It's official. Summer is here. (Well officially, first day of summer is June 20 but it's hot out.) We hope this new season brings new opportunities for you and your family. We know we are not out of the woods yet when it comes to the Coronavirus and we hope all residents are taking the needed precautions in social distancing and wearing masks when social distancing is not possible. If your family is looking for new summer memories, please check out the Parks and Recreation Department month of activities the whole month of July. I'll be giving a tour of the City Hall Chambers during the month so please check that out. We hope you can also participate in a family camp out in your backyard, or if it's too hot, your living room!

I would like to personally thank Alderman Robert Weider for all of his years of service to the board and the citizens of Rock Hill, representing ward 3. It has been a pleasure serving with Alderman Weider as a board member and as the Mayor. I wish him much blessing, health and strength as he turns a new page in this chapter of his life. I also would like to welcome Alderman Jeffery Took to the board of Alderman.
